To Whom It May Concern

By that document I would like to confirm full professionalism and knowledge about natural and artificial stone which are characteristic of Mr.Krzysztof Piotrowski.

His skills are known to me from twenty years. Our collaboration started based on representation contract as agent for Poland territory.

Mr.Krzysztof Piotrowski was and still is , our representative and responsible in followings tasks:

- popularization of our offer with main goal - ceramics and natural stones conglomerates
- trainings for A&D according to new materials
- claims solving
- contacts with investors and general contractors
- certification process according to Polish law

I would like to assure that his professionalism and focus on tasks help us to promote our materials and develop our new branch of business - artificial stones in Poland.

In case of any questions or doubts, I'm to your disposition.

Sincerely,

Chatziioannidis Ioannis

General Manager
