To Whom It May Concern

Please accept this document as a confirmation of the following facts about our employee Krzysztof Piotrowski, CEO of Technistone Polska.

- Krzysztof has a great quartz experience which he gained during our cooperation for the last 20 years
- He devoted himself to the quartz business in its entirety. He understands production technology and production processes.
- By completing product training, he gained an overview of features of quartz products. That's why he was able to lead valuable product trainings for fabricators and architects.
- Krzysztof solves independently all problems related to quality defects, including claim process settlements
- He deals with project specifications, is familiar with technical parameters and requirements for the use of quartz products in commercial and residential projects

Do not hesitate to contact me directly in case of additional questions.

Sincerely,

**Jiri Tupy** | Commercial Director Technistone, s.r.o.
